How do you pronounce "Bjarne Stroustrup?" It can be difficult for non-Scandinavians. The best suggestion I have heard yet was "start by saying it a few times in Norwegian, then stuff a potato down your throat and do it again :-)" Here is a wav file. For people who can't receive sound, here is a suggestion: Both of my names are pronounced with two syllables: Bjar-ne Strou-strup.

Stroustrup: FAQ

Millions of students and professionals worldwide have learned programming and software development with Deitel® college textbooks and professional books, LiveLessons™ videos, e-books, REVEL™ interactive multimedia courses, online resource centers and instructor-led corporate training.

The C programming language has a set of functions implementing operations on strings (character strings and byte strings) in its standard library.Various operations, such as copying, concatenation, tokenization and searching are supported. For character strings, the standard library uses the convention that strings are null-terminated: a string of n characters is represented as an array of n ...
