Devanagari script (vowels top, consonants bottom) in Chandas font

### **Devanagari - Wikipedia**

This is a list of languages arranged by the approximate dates of the oldest existing texts recording a complete sentence in the language. It does not include undeciphered scripts, though there are various claims without wide acceptance, which, if substantiated, would push backward the first attestation of certain languages. It also does not include inscriptions consisting of isolated words or ...
