Horemheb (sometimes spelled Horemhab or Haremhab and meaning Horus is in Jubilation) was the last pharaoh of the 18th Dynasty of Egypt. He ruled for 14 years somewhere between 1319 BC and 1292 BC. He had no relation to the preceding royal family other than by marriage to Mutnedjmet, who is disputed to have been the daughter of his predecessor Ay; he is believed to have been of common birth.
