In England, Wales and Northern Ireland, school governors are members of a school's Governing Body. In state schools they have responsibility for raising school standards through their three key roles of setting strategic direction, ensuring accountability and acting as a critical friend. They are the largest volunteer force in the country.

Useful information for all school governors

The Heartbleed Bug is a serious vulnerability in the popular OpenSSL cryptographic software library. This weakness allows stealing the information protected, under normal conditions, by the SSL/TLS encryption used to secure the Internet.
