The Catholic Church, also known as the Roman Catholic Church, is the largest Christian church, with approximately 1.3 billion baptised Catholics worldwide as of 2017. As the world's "oldest continuously functioning international institution", it has played a prominent role in the history and development of Western civilisation. The church is headed by the Bishop of Rome, known as the Pope.

English language. As the anti-Catholic laws were lifted in the mid-19th century, there was a revival of Catholicism in the British Empire. There has long been a distinct Catholic strain in English literature. The most notable figures are Cardinal Newman, a convert, one of the leading prose writers of his time and also a substantial poet, and the priest-poet Gerard Manley Hopkins, also a convert ...

I'm planning to go to the Ash Wednesday service at 7:00AM tomorrow, before work. I'm a little hesitant to go into work with ashes on my forehead. I work in a business function, and I will be meeting clients in person tomorrow. Would it be okay for me to wipe it off before I go in to work, or would that be sacrilegious? Thank you.

This course of twelve 30-minute lectures presents the most rational summary of the interaction between theology and science that we have heard. The lecturer is a professor both science and the history of science. The lectures amply support the Catholic Church's historical role as the principal supporter of science throughout the ages.
