about cats Everything you've always wanted to know. Egyptians are believed to be the first people to have domesticated cats more than 4,000 years ago. Cats became invaluable to the Egyptians due to the felines' incomparable ability to exterminate mice and other rodents,

Everything you've always cats wanted know about

"The Truth About Cats and Dogs," was written by a student named Maria Castillo. See if you can identify her main point as you read her essay. The Truth About Cats and Dogs The majority of people in the world will say that dogs are man's best friends and that cats were put on this earth to aggravate dogs.

The Truth About Cats and Dogs - Pearson Education

Dogs know that although a safe, soft, and comfortable life can point to God's glory, it is the glory that is the higher priority, not the safe, soft, comfortable life.
