The statutory limit on federal debt, which has been suspended since February 2018, will be automatically reset on March 2, 2019. Unless legislation suspends or increases the limit, the Treasury will need to take “extraordinary measures” to borrow the additional funds needed to finance the government’s programs and activities.

Medical cannabis, or medical marijuana, is cannabis and cannabinoids that are prescribed by physicians for their patients. The use of cannabis as medicine has not been rigorously tested due to production and governmental restrictions, resulting in limited clinical research to define the safety and efficacy of using cannabis to treat diseases. Preliminary evidence suggests that cannabis can ...
