

CDC HEALTH DISPARITIES AND INEQUALITIES REPORT UNITED STATES 2013

cdc health disparities and pdf

CDC Releases Second Health Disparities & Inequalities Report – United States, 2013. CDC and its partners work to identify and address the factors that lead to health disparities among racial, ethnic, geographic, socioeconomic, and other groups so that barriers to health equity can be removed.

CDC Health Disparities & Inequalities Report (CHDIR)

Health disparities are preventable differences in the burden of disease, injury, violence, or opportunities to achieve optimal health that are experienced by socially disadvantaged populations. 1 Populations can be defined by factors such as race or ethnicity, gender, education or income, disability ...
