MATHEMATICS EDUCATION - WIKIPEDIA

center for mathematics education pdf

The AIMS Center for Math and Science Education located on the campus of Fresno Pacific University is dedicated to understanding the existing research on how children “come to know” their mathematical and scientific knowledge; to use what we learn from research to inspire teachers to deeply ponder how to change their own classroom practice – passionate, reflective teachers who will take ...

AIMS Center for Math and Science Education

In contemporary education, mathematics education is the practice of teaching and learning mathematics, along with the associated scholarly research.. Researchers in mathematics education are primarily concerned with the tools, methods and approaches that facilitate practice or the study of practice; however, mathematics education research, known on the continent of Europe as the didactics or ...
