central british columbia canada pdf

The British Columbia Coast or BC Coast is Canada's western continental coastline on the North Pacific Ocean. The usage is synonymous with the term West Coast of Canada. In a sense excluding the urban Lower Mainland area adjacent to the Canada–United States border, which is considered "The Coast," the British Columbia Coast refers to one of British Columbia's three main regions, the others ...

British Columbia Coast - Wikipedia

The British Columbia Interior, BC Interior or Interior of British Columbia, usually referred to only as the Interior, is one of the three main regions of the Canadian province of British Columbia, the other two being the Lower Mainland, which comprises the overlapping areas of Greater Vancouver and the Fraser Valley, and the Coast, which includes Vancouver Island and also including the Lower ...
