A safari park, sometimes known as a wildlife park, is a zoo-like commercial drive-in tourist attraction where visitors can drive their own vehicles or ride in vehicles provided by the facility to observe freely roaming animals. The main attractions are frequently large animals from Sub-Saharan Africa such as giraffes, lions, rhinoceros, elephants, hippopotamus, zebras, ostriches, and antelope.

Safari park - Wikipedia

The park offers fishing, lake swimming on an unsupervised beach, water skiing, disc golf, picnicking, camping, nature study, hiking, horseback riding and boating. In addition to campsites for tents and RVs, the park also has pavilion. This site offers approximately five miles of multiuse trails on ...

Desarrollo inicial. El estado de Nueva York designó una comisión para Central Park con la función de supervisar el desarrollo del parque y, en 1857, la comisión organizó un concurso para elegir el diseño del parque. El paisajista Frederick Law Olmsted y el arquitecto inglés Calvert Vaux desarrollaron un diseño llamado Greensward Plan, que fue seleccionado como el diseño ganador.

Central Park - Wikipedia, la enciclopedia libre

Central Park est un espace vert américain d'une superficie de 341 hectares (3,41 km², environ 4 km sur 800 mètres), situé dans l'arrondissement de Manhattan à New York (État de New York). Il est géré par la Central Park Conservancy (comité de sauvegarde de Central Park) qui dispose d'un budget annuel de 200 millions de dollars, et est entretenu au même titre que les autres espaces ...
