Velveteen's obsessive haunting cracks the foundations of purgatory and jeopardizes her very soul. A risk she's willing to take — except fate has just given her reason to stick around: an unreasonably hot and completely off-limits coworker.

Velveteen by Daniel Marks - PDF (.pdf), Kindle (.mobi)

Velveteen is has a gruesome darkness to it with a dash of comedy and a pinch of romance.....and revenge of course. I really wish there was another Velveteen book but there isn't currently : / but there is a short story called Vermilion in a book called Kiss Me Deadly which was also very good.

It's unfortunate that Daniel Marks' YA debut Velveteen didn't get quite the attention it deserved when it first came out. Velveteen takes a walk on the macabre side and feels quite unprecedented in the YA market. It mashes up horror with paranormal, as the machinations of the residents of Purgatory are explored in this novel.
