Veneer: Living Deeply in a Surface Society. You aren't who you think you are. Culture tells us that in order to be liked we must masquerade as someone other than who we are. So, we lacquer ourselves with credit cards and plastic surgery and status updates hoping no one will see the person underneath.

Veneer: Living Deeply In a Surface Society is written by Timothy Willard and Jason Locy two men who love the Lord and want to see the people of God know and serve the Lord. In the first five chapters the authors help the reader address the various ways in which today's culture causes them to live on the surface rather than go deep in relationship with God and others.

### **Review of Veneer Living Deeply in a Surface society**

Veneer encourages the church to become a refreshing voice amidst a veneered world, inviting you to lead an unveneered life of freedom, honesty, and beauty. Taking on an original concept that addresses the potential dangers of consumption and technology, Veneer speaks to many Christians who are unsure how to live with true meaning among the ever-changing trends and technology our culture offers.

into face veneer by suitable heating and limiting cutting to thin veneer. Typical specific gravities of woods used for construction plywood are 0.41 to 0.55; for hard-wood face veneer 0.43 to 0.65; for core and cross-band veneer of decorative panels from 0.32 to . and for container veneer from 0.36 to 0.65 (table 1).

### **Wood and Log characteristics Affecting Veneer Production**

Veneer is a natural wood product, so it requires more attention than other surfaces. When veneer is properly cared for, it will last long and keep looking beautiful.

The key element of porcelain veneers is the preservation of existing enamel. Over the years, in the adult dentition, erosion and surface wear contribute to the thinning of the existing enamel. When determining the final contour of the wax-up, the technician

## **PORCELAIN VENEERS TECHNIQUES AND PRECAUTIONS**

What veneers can't do – in considering the limitations of porcelain veneers, we should be reminded of another important definition of “veneer”– a deceptive, superficial show or a façade.
