Das Thema dieses Kunst-Reiseführers ist die italienische Region Friaul- Julisch Venetien. Sie besteht aus zwei Provinzen, von denen das Friaul die weitaus größere ist. Julisch Venetien dagegen umfasst seit 1954 nur noch die Stadt Triest und einen kleinen Küstenstreifen bis Muggia.

The Venetian View The Venetian View —September 2008September 2008 Maintenance Projects Update By: Jim Downing –Governor and Co-Chairman Maintenance Committee and Quentin Reynolds –Co-Chairman Maintenance Committee Our deferred maintenance projects are well underway and under control.

The Venetian View

Create the look and feel of smooth marble on your walls with Venetian Plaster. This unique decorative finish imparts layers of rich, opaque color with delicate tone-on-tone highlights. Use on properly prepared interior plaster or drywall. Not for use in wet areas (showers) or on working surfaces such as countertops, tabletops, etc.
