Venison: Preserving Deer. Venison is an important food source for many families in America and Canada, and with tough economic times, and often such an overpopulation of deer in many areas that disease and starvation threatens the herds, hunting deer and preserving the venison is becoming a necessity for many.

Easy ground venison recipes are always a hit. Being an avid hunter with a large family to feed, I use my household as the testing grounds for new recipes from my haul from the forest.

10 Easy Ground Venison Recipes | Delishably

How to Grind Venison. Every year, hunters flock to the woods hoping to harvest a deer and have the meat known as venison to eat year-round. Once the steaks are cut, many hunters grind the remaining meat into burger to be used for hamburger and sausage. Because venison is a very lean meat, most will add either beef or pork fat to the grinding...

A sausage is a cylindrical meat product usually made from ground meat, often pork, beef, or veal, along with salt, spices and other flavourings, and breadcrumbs, encased by a skin. Typically, a sausage is formed in a casing traditionally made from intestine, but sometimes from synthetic materials. Sausages that are sold raw are cooked in many ways, including pan-frying, broiling and barbecuing.
